

Primary Care Information Project

Electronic Health Record Free Open House

February 11, 2010

Who Can Attend?

Providers and office staff (non-consulting) who want to learn more about:

- EHRs
- Federal EHR “Meaningful Use” standards
- PCIP and Regional Extension Centers
- The PCIP application process
- EHR hardware
- Billing with an EHR

What will be covered?

- How to implement a subsidized EHR
- Department of Health resources available to you
- How to prepare for Meaningful Use

Transform your Practice with a Subsidized EHR

Learn the ins and outs of Electronic Health Records at an **EHR Open House**, hosted by the NYC Department of Health and Mental Hygiene.

Providers will meet the Primary Care Information Project team and hear how to switch from paper records to secure Electronic Health Records. Presentations will cover how to use an EHR to improve patient care, meet federal incentive payment requirements, and protect sensitive patient data. You will also learn how to get an EHR at a substantial discount through our limited incentive program.

Meet One on One With:

- EHR trainers
- Billing/coding instructors
- NYC Business Solutions: Help with financial and staffing resources
- Providers who have implemented an EHR

There is no cost to attend, but please RSVP no later than 2/5
